Fastener Fair Stuttgart 2019: Online Show Preview offers overview of fastener and fixing technologies at the world's leading trade fair for the industry

In just a few weeks, the 8th International Exhibition for the Fastener and Fixing Industry will take place from 19 – 21 March 2019 in halls 1, 3 and 5 of the Stuttgart Exhibition Grounds in Germany. With the new Online Show Preview, visitors are now able to get an overview of the large variety of fastener and fixing technologies on display at the trade fair this year. Hundreds of exhibiting companies provide detailed information about their products, technological innovations and clever solutions for the fastener and fixing industry. The ticket shop is already open, entrance tickets can be purchased on the exhibition website.

More than 960 exhibitors from 44 countries will present latest innovations as well as conventional systems from all areas of fastener and fixing technology at Fastener Fair Stuttgart 2019. Besides Germany, the biggest exhibiting country, major European exhibitor countries are Italy, Great Britain, France, Turkey, the Netherlands and Spain. The majority of Asian exhibiting companies are from Taiwan, China and India. The trade fair once again takes place in halls 1, 3 and 5 of the Stuttgart Exhibition Grounds in Germany. The net exhibition space expands to around 22,000 square meters, a growth of 6% compared to 2017. Last time, 11,709 trade visitors from 91 countries attended the event.

The comprehensive Online Show Preview, with detailed information on many exhibitors and their products, is now available on the exhibition website. In preparation for their visit, users will be able to sort entries by product categories to discover their personal highlights of this year's exhibition. Visitors can search exhibitor profiles including products and services presented at Fastener Fair Stuttgart 2019 and create their personalised version of the show preview. The Online Show Preview can be accessed via the website www.fastenerfair.com/stuttgart.

Another option to prepare for a visit to Fastener Fair Stuttgart 2019 is the Online Show Planner, a tool that allows visitors to compile not only their individual exhibitor list sorted according to product categories, but also a personalised hall plan. The Online Show Planner can be found on the Fastener Fair Stuttgart website.

The Fastener Fair Stuttgart visitor profile includes wholesalers, dealers, suppliers and manufacturers from various industry sectors, such as construction, automotive, electronic and electrical goods, metal products or furniture manufacturing.

The leading trade fair for the fastener and fixing industry presents new developments from all areas of fastener and fixing technologies. The exhibition profile covers industrial fasteners and fixings, construction fixings, assembly and installation systems, fastener manufacturing technology, storage and factory equipment, as well as corresponding services. New in 2019, there will be a special area for bonding solutions in Hall 1, the “Bonding and Adhesive Technology Area”.

The opening hours of Fastener Fair Stuttgart 2019 are on Tuesday, 19 March 2019, and Wednesday, 20 March 2019, from 9am to 6pm, as well as Thursday, 21 March 2019, from 9am to 3pm. Entrance tickets can now be purchased at a reduced price of €32 on the exhibition website, on-site tickets cost €45. Tickets are valid for all three exhibition days.

Further information regarding the exhibition, such as the regularly updated exhibitor list and tips for travel and hotel bookings, can be found on the trade fair website:
