REYHER at the Fastener Fair 2019: Hall 1, Stand 1112

Flexible and reliable c-part purchasing for traders

**Hamburg 21 December 2018 – Fastener Fair Stuttgart from 19 - 21 March 2019
REYHER presents a comprehensive service portfolio of fasteners and fixing technology in Hall 1, Stand 1112.**

With more than 130,000 different articles REYHER's range is one of the widest and deepest in the sector. For customers from industry and trade the Hamburg company is a reliable supplier of c-parts offering an extensive range of services. Trading customers especially benefit from the readily available RIO – REYHER Internet Order webshop as well as individual commercial packaging and kitting from RKP – REYHER Kitting & Packaging Service. In our RIO – REYHER Internet Order Webshop the label designer tool is available for customers to design and print their own labels.

RIO webshop offers round the clock access to all ready to deliver articles. Customers can check availability and prices for the articles they require online immediately. Orders can be quickly and easily placed. There are various search features available to help find the right article.

With RKP – REYHER Kitting & Packaging the wholesale company covers the needs of re-sellers for commercial packaging and labelling. In close cooperation with the customers, REYHER develops the right solution, including individual commercial packaging as well as customer specific labelling. Customers can select from a range of boxes with or without pouring lips in various sizes or their own packaging.

About REYHER

With more than 130 years' experience REYHER is one of the leading trading companies for fasteners and fixing technology in Europe and supplies customers in industry and trade worldwide. Around 700 staff in the central location in Hamburg ensure individual, flexible solutions for reliable supplies of c-parts, with a delivery rate of over 99 percent. In 2017, REYHER achieved a turnover of around 320 million euros with over 11,000 customers.
