

March 2017

Fastener Fair Stuttgart 2017: The International Fastener and Fixing Community will meet again in Stuttgart next week

The leading international exhibition for the Fastener and Fixing Industry, Fastener Fair Stuttgart 2017, opens its doors from 28 – 30 March 2017 at the Trade Fair Centre in Stuttgart. With a total of 894 exhibitors from 46 countries, this year's exhibition will be a record event both in terms of exhibitor numbers and exhibition space. Taking place in halls 1, 3 and 5 and covering a net exhibition space of more than 20,000 square meters, visitors can expect the largest ever selection of new technologies and innovations from all areas of fastener and fixing technology. Major European exhibitor countries apart from Germany are Italy, Great Britain, Spain and the Netherlands. Asian exhibitors mainly come from Taiwan, China, Turkey, India and South Korea.

Fastener Fair Stuttgart presents new developments from all areas of fastener and fixing technology. The exhibition profile comprises industrial fasteners and fixings, construction fixings, assembly and installation systems, fastener manufacturing technology, storage, distribution and factory equipment as well as information, communication and services.

For the first time this year, Fastener Fair Stuttgart will feature a seminar programme, hosted in a special auditorium in Hall 5, Stand 2422. On Tuesday 28th March, relevant exhibitors will provide presentations on the latest developments in cold forming technologies. At the heart of the programme, on Wednesday 29th March, four leading industry speakers will hold presentations on four different topics. The latest developments in coating technologies will be presented by selected relevant exhibiting companies on Thursday 30th March. The full programme is available on the Fastener Fair Stuttgart website.

The leading trade exhibition is the meeting point for an industry sector, which is vital for industrial manufacturing and the construction industry. At Fastener Fair Stuttgart, distributors, suppliers, wholesalers, manufacturers, buyers and engineers from all over the world come together to discover and discuss future industry trends. Visitors of the exhibition are from various industry sectors, e.g. construction, automotive, aerospace, marine, electronic and electrical goods, HVAC/ air conditioning/ services, energy and power generation, metal products and furniture manufacturing.

The Trade Fair Centre in Stuttgart is conveniently located next to the airport and is therefore easily accessible by plane, but also by car or public transport.

The opening times of the event are from Tuesday, 28 March 2017 until Wednesday, 29 March 2017, from 9am to 6pm and on Thursday, 30 March 2017 from 9am to 4pm. Entrance tickets purchased on-site cost €40. By pre-registering online through the exhibition website, the ticket price is reduced to €28.

Detailed information about the exhibition is available on the exhibition website under www.fastenerfair.com/stuttgart.
